

TESTBOY TV 285

Endoscope Camera

The Testboy TV 285 endoscope camera is the next step up from our popular Testboy TV 280 endoscopy camera. It has a 5.0" color LCD display and a three-meter cable. With adjustable brightness and a flexible cable, our inspection camera lets you check out hard-to-reach spots, even in low light.

ADVANTAGES

- > Up to 4 hours of operating time
- > 3 m double-head camera
- > Includes tool kit with hooks, mirror and magnet
- > 5.0" LC display for real-time viewing
- > Integrated LED lighting with adjustable brightness levels
- > Camera diameter: 8 mm
